

DELHI PUBLIC SCHOOL VADODARA

V A W A R D

'The only person you are destined to become is the person you decide to be.'

R. W. Emerson

Great to welcome the children back to a new school year. Many of us have spent quite a few school years so far but we are yet to set goals and get to them. So, time to get organised, be focussed, go out and meet new people, make new friends and give a booming start to a great new academic session.

We all need to be positive, have fun and be ourselves. It is pertinent that we don't hesitate to ask for help or offer help because that is how life has to go on.

- Dr. A. K. Sinha

With April starts the new session which begins a new journey for us all. We will learn from our failures and never let that hunger for success be satisfied. We resolve to strengthen our strengths and eliminate our weaknesses. Welcome all to the new journey. Struggle and success are a part of it but don't forget to enjoy the journey.

CONTENTS

Pre-primary:

- Mango Day
- Visit to car showroom

Primary:

- International Year of Millets Celebration
- Earth Day Celebration

Secondary

- Foundation Day
- Know Your Teacher

PRE PRIMARY

Summer season is synonymous with mango season! This means lots of fun and exciting new mango dishes to try! Students of pre-primary love the summer season for the juicy mangoes.

Mango Day

Visit to Car Showroom

Students enjoyed visiting the car showroom as they learned so many new things about cars and their working! It was such an enthralling experience watching young minds learn about the world.

PRIMARY

Earth Day Celebration

Earth Day was celebrated with great enthusiasm and fervor to make children conscious about the Earth's resources and protect them. The students showed their creative side and prepared different charts and posters for the day.

Every day is an Earth day!

Millets Day Celebration

Health is wealth! Students of Primary came together to celebrate International Millets Day and turned it into a fun activity by collecting various types of millets.

SECONDARY Foundation Day

*Embarking upon the glorious 21 years
of our school, we celebrated our
Foundation Day on 19th April 2023.
Children received various accolades
and made the school proud.*

Know Your Teacher

MR. ANIL VYAS
SANSKRIT TEACHER

What do you think is the importance of Sanskrit language in the
present day world?

Sanskrit is one of the first languages to ever exist in the world and it has a great
influence on most of the languages that exist today. Life without Sanskrit will be like a
body with no heart in it.

What is a lesser known side of yours? Any talents that you have?

I'm an astrologer (Jyotish), which I think would come as a surprise. I have researched a lot about it
and I've even bagged a gold medal in astrology.

What all qualities according to you should a teacher have that would
be the right guide for students?

According to me a teacher should have the following qualities:

1. Shruta - Knowledge
2. Shilta - Character
3. Gun - Good qualities, etiquettes
4. Karmana - Good work (Karma)

What do you like to do in your leisure time?

. My hobby is reading. I never let any of time get wasted. Even when I'm free from all my classes I like
to read silently in the library. It gives me peace
