

# DELHI PUBLIC SCHOOL VADODARA

# V A W A R D

## FROM THE PRINCIPAL'S DESK

*"The only way to do great work is to love what you do."*  
Steve Jobs

*Remember we talked about setting goals, making friends, asking for and giving help and making the best version of our own selves. Sixty one days and beyond into an eventful year full of promise of faith and hope, we are sure to have made progress on the path of our promises. Our achievements shall usher in self pride as we progress. As examinations trod near routines and schedules call for firm adherence and time shall remain impressed with our willingness to learn and grow. We, the school community shall prosper and thrive in unison.*

*- Dr. A.K. Sinha*

*Welcome back everyone! You all must be very charged up and excited returning to school. The monsoon has arrived to resuscitate the scorched earth and we too should freshen up our minds and sow the seed of hard work and consistency so that the flowers of success bloom in our lives. All the best of luck for the year ahead!*

- Primary
  - Yoga Day Celebration
  - Master Mind
  - Theatre and Drama Club
- Secondary
  - Investiture Ceremony
  - International Yog Day Celebrations
  - Science Week
  - Motivational Talk

# PRE-PRIMARY

## VISIT TO SUPERMARKET

A field trip is always filled with fun and frolic! Visit to a supermarket opened a ton of new doors of curiosity in the young minds!

## GREEN DAY

Green is the colour of the Earth! It symbolises a clean and amazing environment. Celebrating Green Day instills love for the Earth.

## VISIT TO SPORTS SHOP

Future sportspersons in the making! Students of Pre-Primary learned many new things about sports equipments and their uses.

# PRIMARY

## YOGA DAY

To celebrate the Yoga Day, a Mass Yoga session was conducted in the school. The students were made aware of the various benefits of Yoga and to instill the habit of doing it everyday.

## MASTER MIND!

## THEATRE AND DRAMA

Which kid doesn't love a bit of drama and theatrics in the middle of a boring school day? That's right, no one.

# SECONDARY

*The students of Secondary section showcased their proficiency in science while celebrating the science week. The school also got its new batch of School Council. Further to motivate students, Mr. Sajan Shah shared some enlightening views.*

For the students of class X who will be appearing for the Board Examinations this year, the school organised a motivational session to uplift their spirits. The session was conducted by Mr. Sajan Shah who shared some inspiring thoughts and tips on how to tackle exam stress and cope with challenges in life.

To inculcate scientific approach in the minds of the students, the school organised Science Week for the session 2023-24. Students from the secondary section participated with great enthusiasm and fervour and displayed their models.

Investiture ceremony is an important occasion where a school entrusts its upcoming leaders with certain roles and responsibilities. Today's youths are the force, hope and leaders of tomorrow. Delegation of responsibility and giving authority to children is important as it teaches them lifelong skills of being powerful and caring at the same time.

It was a proud moment for all as Delhi Public School Vadodara entrusted responsibilities to a new set of leaders for the session of 2023-24.

## Know Your Teacher

**Mrs. Sangeeta Dubey**  
since 2003

Do you play any instruments?  
"Professionally no, but I do occasionally play harmonium. I have tried playing tabla as well, but otherwise I'm completely into singing."

Who is your favourite musician?

"Madan Mohan. He is my favourite because composing is not for mass, only for people who really love music. Lyrics and composition go hand-in-hand and his composition always touches my heart."

What values are you trying to instill in young learners?

"Learning Indian music is person-to-person and one needs to understand the other. So I try to teach my students to be patient, optimistic and respectful towards each other."
